LOT 117 - NON- Running Project Bike 1971 R75/5 "Toaster" Project/Parts Bike

Description

NON-running 1971 R75/5 Project/Parts Bike, #2936377 motor will turn over complete revolution, but it turns only with extra effort, like a wrench to the Alternator rotor Allen bolt. It will not turn over fast enough with the starter, for the motor to start. It will need rings, at least, and probably a cylinder overbore. Tack shows 80,931 miles, No title, but can provide bill of sale.
