

Sale Name: Honda Shadow VT700C motorcycle-vintage! Helmets etc-PREVIEW!!!
Windshield added!

LOT 2 - Honda Shadow VT700C motorcycle - windshield added

Item Condition Good

Description

1985 Honda Shadow VT700C. PLEASE PREVIEW! Good running condition. Nice clean leather seats. Mileage 26,016. Windshield included (minor scuffs). Newer front tire,

battery, and seat cover. The sensor for low fuel in the tank does not work. The horn does not work either. It may be a fuse. It does have the manual and little tool set that came with the bike. As you can see the battery cover fell off one side and I had to get a non Honda Shadow piece to attach, I have a few extra parts as you can see in the pictures. Reach out with any questions. Please call to preview 614-563-4948 or to have a video texted to you.

Quantity: 1
